

CoP Head Start: Teacher alumni series (5)

'Under the limelight' - English activation through public speaking

Joanna Wong (Tuesday 6 November 2018)
WLB208, Hong Kong Baptist University

Background

Target students: S1

Module: Computer games and technology

Unit: Connected with the world

Task: Introducing a new application (app)

Language focus: Speaking

Previous knowledge

The students have learnt:

- the basic structure of a speech
- the Belt and Road initiative and map
- vocabulary items about mobile apps
- the use of rhetorical questions to engage an audience
- the use of similes and metaphors to establish semantic links
- the use of adjectives to describe emotions

Learning objectives (outcomes)

By the end of the lesson, students should be able to -

1. state the **elements** of a good speech

- repetition of words
- rhetorical questions
- facts/numbers/data/quotes
- examples
- similes and metaphors
- emotional words/appeal
- inclusive 'we'/'us'

2. identify the **techniques** that Steve Jobs used in his 2007 speech.

Becoming a great speaker and writing a good speech

Who wants to be a great speaker?

What makes a good speech?

An example

'What benefits does the Belt and Road initiative bring us? With Belt and Road, we are constructing a home, a home that is inhabited by and unites people from all around the world. So far yet so close. Isn't this fantastic?'

(Joanna Wong)

Is this a good speech?

What techniques are used by the speaker?

This preliminary map is based on the proposed geo-economic cooperation as described in the Vision and Actions on Promoting the Silk Road Economic Belt and 21st Century Maritime Silk Road document. Actual routes may differ and may extend to encompass other territories as the project develops.
此圖的地緣經濟合作建議圖則，僅供參考，實際路線或會略有不同。

What techniques are used?

'What benefits does the **Belt and Road** initiative bring **us**?' With **Belt and Road**, **we** are constructing **a home, a home** that is inhabited by and unites people from all around the world. So **far** yet so **close**. Isn't this **fantastic**?'

(Joanna Wong)

Repetition of words

Rhetorical questions

Emotional words/appeal

Inclusive 'we'/'us'

7 elements of a good speech

1. Repetition of words
2. Rhetorical questions
3. Facts/numbers/data/quotes
4. Examples
5. Similes and metaphors
6. Emotional words/appeal
7. Inclusive 'we'/'us'

The speech...

Did you know?
Steve Jobs, the **Apple founder**,
introduced **iPhone 4** in **2007**
(when you were little).

Did he give a good speech?

Listen on...

<https://www.youtube.com/watch?v=GK55ElsVzxM>

Task 1: The speech and more

Read **Extracts 1-3** from the **2007 speech** of **Steve Jobs** for his **introduction/launch of iPhone 4**.

What did he say? What **techniques** did he use?

- Underline the relevant words, sentences or questions.
- **Circle** the use of inclusive 'we'/'us'.
- **Write down** the techniques that are used.

Speech analysis

In groups,

- ❑ **read and analyse** the extracts of the speech; and
- ❑ **compare notes** with your mates.

An example

[Extract 1]

<https://www.youtube.com/watch?v=GK55ElsVzxM>

'An iPod, a phone, and an Internet communicator. An iPod, a phone ... Are you getting it? These are not three separate devices, this is one device, and we are calling it iPhone.' (Steve Jobs)

Is this a good speech?

What techniques are used by the speaker?

An example

[Extract 1]

<https://www.youtube.com/watch?v=GK55ElsVzxM>

'An iPod, a phone, and an Internet communicator. An iPod, a phone ... Are you getting it? These are not three separate devices, this is one device, and we are calling it iPhone.' (Steve Jobs)

Repetition of words

A rhetorical question

Inclusive 'we'

A recap: **7 elements** of a good speech

1. Repetition of w_____
2. Rhetorical q_____
3. Facts/numbers/data/q_____
4. Ex_____
5. S_____ and _____
6. E_____ words/appeal
7. Inclusive '___'/'___'

Task 2: The speech challenge

Read **Extract 4** from the **2007 speech** of **Steve Jobs**.
Rewrite the lines with some of the **elements of a good speech** to make the **Apple founder** an even **better speaker!**

Speech practice

In pairs, take turns to be a speaker and a listener:

- ❑ As a **speaker**, **read and expand** the extract of the speech.
- ❑ As a **listener**, attend to the **techniques** used by the speaker.

The speech challenge...

'I can take any of these pictures and (uh) I can make them bigger and (and uh), so let me go ahead and get the camera back up. Yeah, there it is right there. I can (uh)... I can just take my fingers and I can... We call it the pinch. I can bring them closer together and move them further apart to make it bigger or smaller. And so I can just move them further apart and stretch the image.' (Steve Jobs)

Speak to your audience.

What additional techniques are you going to use for effect?

The speech challenge...

‘I can take any of these pictures and (uh) I can make them bigger and (and uh), so let me go ahead and get the camera back up. Yeah, there it is right there. I can (uh)... I can just take my fingers and I can... We call it the pinch. I can bring them closer together and move them further apart to make it or smaller. And so I can just move them further apart and stretch the image.’ (Steve Jobs)

Listen to the speaker.

What additional techniques are used by the speaker for effect?

Next class...

Situation:

You are a student representative on our **School Development Committee**.

You are going to develop a new app for our school.

Task:

- Discuss in groups a **new app** that our school needs the most.
- Write a **speech** to introduce the new app in a morning assembly.

Afterthoughts...

● To adopt or adapt?

Units 7 and 8/ Long Writing Preparation/ Group Discussion

Date: _____

Group members: _____

Task: You are going to take on the role of an app developer and are going to develop a new app for the school.

What kind of app do you want to develop?

- App for **food lovers** (e.g. Foodpanda, Openrice)
- App for the **health-conscious** (e.g. Fitness Pal, Waterlogge)
- App for **fun** (e.g. Voice Changer Fun, Lie Detector, Action Movie FX)
- App for **socialising** (e.g. Facebook, Snapchat, Instagram)
- App for **organising your life** and increasing your productivity (e.g. Evernote, Spende)

Think of an app that is fun, interesting and makes our lives easier.
